The law of California consists of several levels, including constitutional, statutory, and regulatory law, as well as case law. The California Codes form the general statutory law, and most state agency regulations are available in the California Code of Regulations. The Bulletin of the California Department of Water Resources is a collection of volumes published from 1922 to 2004 by the Department and its predecessor agencies. The Bulletins have information on all aspects of water in California including water law, water projects, groundwater, water quality. The Bulletin of the California Department of Water Resources is a collection of volumes published from 1922 to 2004 by the Department and its predecessor agencies. The Bulletins have information on all aspects of water in California including water law, water projects, groundwater, water quality, flooding, and water conditions. Volume 11: BROWN to KELO. Gale encyclopedia of american law 3RD edition. Gale encyclopedia of american law 3RD edition. Volume 11 MILESTONES IN THE LAW BROWN to KELO. Gale Encyclopedia of American Law, 3rd Edition.
